altaviewvets.com

altaviewvets@gmail.com

Mon-Thurs 8am-8pm

Fri & Sat 8am-6pm

Sun 9am-2pm

OUR FACILITY

- All animals are kept in climate controlled, State of the Art facilities
- There is an attending technician on site 7 days a week
- All animals are separated from any contagious diseases
- All animals are kept separately, unless otherwise requested
- Food and water is available to the animals at all times, unless otherwise requested. We feed premium, quality foods including Hill's Science Diet
- All dogs are walked daily

In order for you to have your pet safely boarded, these following requirements must be met:

- Current on all vaccinations (if NOT, arrangements must be made for immunization)
 - Mandatory vaccinations for dogs: Rabies, Bordetella, Influenza, DHP-PV
 - Mandatory vaccinations for cats: Rabies, FVR-CP
- Current on flea & tick control, and free of parasites (flea preventatives such as Simparica Trio and Bravecto can be provided in hospital)

PRECAUTIONS

Due to stress from being away from home, your pet might experience the following symptoms or illnesses:

- Diarrhea may result in both dogs and cats due to a change in diet
- Behavioral changes including lethargy
- Cats may experience an upper respiratory infection due to a change in environment
- Excessive appetite or thirst due to excitement. If this occurs, offer food and water to your pet in small amounts. Excessive feeding and drinking may result in diarrhea, constipation and/or vomiting.
- We cannot be responsible for any toys, clothing or leashes left here with your pet.

IF YOUR ANIMAL EXPERIENCES ANY OF THESE SYMPTOMS, PLEASE INFORM US.

DAILY RATES

- Cats, Birds, Exotics: \$29 per day
- Dogs: \$39 per day
- Additional \$10 per day for pets needing medications
- All animals going home after noon will be charged a full day's boarding
- Nail trims, baths and grooming may be given if requested
