OUR FACILITY

- All animals are kept in climate controlled, State of the Art facilities approved by the American Animal Hospital Association (AAHA).
- There is an attending technician on site 7 days a week.
- All animals are separated from any contagious diseases.
- Cages/Runs exceed the standards set by the AAHA.
- Birds are provided with their own room for safety.
- Food and water is available to the animals at all times. We feed premium, quality foods (such as Science Diet).
- All dogs are walked daily.

In order for you to have your pet safely boarded, it must meet the following requirements:

- Current on all vaccinations (if NOT, arrangements must be made for immunization)
- Free of parasites, including fleas (topical treatment such as Advantage or Frontline required)

PRECAUTIONS

Due to stress from being away from home, your pet might experience the following illnesses or symptoms:

- Diarrhea may result in both dogs and cats due to a change in diet.
- Cats may experience an upper respiratory infection due to a change in environment.
- Excessive appetite or thirst due to excitement. If this occurs, feed and water your pet in small amounts. Excessive feeding and drinking may result in diarrhea, constipation and/or vomiting.
- We cannot be responsible for any toys, clothing or leashes left here with your pet.

IF YOUR ANIMAL EXPERIENCES ANY OF THESE SYMPTOMS OR ILLNESSES, PLEASE INFORM US.

CHARGES – DAILY RATES

- Cats, Birds, Exotics \$15.00
- Dogs \$.29.00
- All animals going home after 12 noon will be charged a full day's boarding charge.
- PEDICURES and MEDICATED BATHS may be given if prior arrangements are made.
